With Students strength of more than 2000, the college is veritable melting pot of diverse communities, ideas and creativity. The college is located at Ward No. 6 of Bokajan Town in Karbi Anglong District of Assam. The scenery and green college campus provides an excellent ambience including modern infrastructure conducive for learning.

Since 1991, Bokajan College has expanded both in size and reputation. There are 09 Departments in the college offering FYUG (Arts), FYUG (Commerce) H.S (Arts) & H.S. (Commerce) to equip students with knowledge, skill, experience and confidence, the benefits of which they can reap well into the future. The number of students passing H.S (Arts) is more than 1450+. They are showing their worth in different spheres of their professional career. There's no gain saying that in the last two decades of its relentless pursuit of academic excellence, Bokajan College has made giant strides in providing better academic atmosphere and improved infrastructure facilities. Since beginning the H.S. (Commerce) result is 100%. In last three years the college has produced six university rank holders - Four Gold medalists and two 2nd Rank holders.

From Principal's Desk

Bokajan College was established on 05/09/1991 by a group of for sighted and committed youths and social workers of the region. We have completed 33 years of journey. We have come a long way and our stakeholders have struggled tirelessly to transform Bokajan College into a progressive, equal opportunity Institution that has today become the Vanguard of academic excellence, on one hand and liberal democratic traditions on the other. The college thrives on it and the eco-friendly campus located in the middle of Bokajan town enhances a spirit of co-existence which is conducive for holistic development of the students. The College is able to attract students from surrounding Hilly and rural areas of Karbi Anglong District and the southern part of the Golaghat district. They are mostly first generation learners and belong to socio-economically disadvantage communities. The college since its inception has been working towards the pursuit of knowledge and excellence.

Optimum transparency in faculty appointments, admission of students upholding merit happens to be the foremost criterion. The work culture in the institution is self-motivated. The disciplined atmosphere of the campus is coupled with freedom of thought and expression. The college is known across Assam for the outstanding student teacher relationship which is the foundation of learning. The students of the college are motivated to usher paradigm change and be integral to a globally connected World and continuously emerge with new ideas to make a difference.

As a Principal, I hope to extend the journey of our college to the path of greatness. It is my duty to ensure that for the students the college remains just as our founding fathers envisioned. I represent the diligent faculty and staff of our college, whose sincerity and spirit make it what it is.
